ABOUT ADMIRAL TOKEN

Admiral Token (ADM) is a utility token designed to power the operations and commerce of Admirals Pavilion Motion Pictures and its subsidiary, Desert Rose Clothing. ADM enables direct access to branded merchandise, studio content, and community engagement through a decentralized, blockchain-based framework.

STUDIO ACCESS

Transactional medium for studio production catalogs and exclusive content.

COMMERCE

Purchase branded merchandise from Desert Rose Clothing.

COMMUNITY

Engagement rewards and voting rights on future creative projects and film releases.

BLOCKCHAIN

Built on Polygon for high-speed, low-cost transactions and full transparency.
